agency in administering the UCX Program shall be kept confidential, and information in such records may be disclosed only in the same manner and to the same extent as information with respect to State unemployment compensation and the entitlement of individuals thereto may be disclosed under the applicable State law. This provision on the confidentiality of information maintained in the administration of the UCX Program shall not apply, however, to the Department or for the purposes of §§ 614.11 or 614.14, or in the case of information, reports and studies required pursuant to §§ 614.18 or 614.26, or where the result would be inconsistent with the Freedom of Information Act, 5 U.S.C. 552, the Privacy Act of 1974, 5 U.S.C. 552a, or regulations of the Department promulgated thereunder.

## § 614.15 Payments to States.

(a) *State entitlement.* Each State is entitled to be paid by the United States with respect to each individual whose base period wages included Federal military wages, an amount bearing the same ratio to the total amount of compensation paid to such individual as the amount of the individual's Federal military wages in the individual's base period bears to the total amount of the individual's base period wages.

(b) *Payment.* Each State shall be paid, either in advance or by way of reimbursement, as may be determined by the Department, the sum that the Department estimates the State is entitled to receive under the Act and this part for each calendar month. The sum shall be reduced or increased by the amount which the Department finds that its estimate for an earlier calendar month was greater or less than the sum which should have been paid to the State. An estimate may be made on the basis of a statistical, sampling, or other method agreed on by the Department and the State agency.

(c) *Certification by the Department.* The Department, from time to time, shall certify to the Secretary of the Treasury the sum payable to each State under this section. The Secretary of the Treasury, before audit or settlement by the General Accounting Office, shall pay the State in accordance

with the certification from the funds for carrying out the purposes of the Act and this part.

(d) *Use of money.* Money paid a State under the Act and this part may be used solely for the purposes for which it is paid. Money so paid which is not used solely for these purposes shall be returned, at the time specified by the Agreement, to the Treasury of the United States and credited to the current applicable appropriation, fund, or account from which payments to States under the Act and this part may be made.

## § 614.16 Public access to Agreements.

The State agency of a State will make available to any individual or organization a true copy of the Agreement with the State for inspection and copying. Copies of an Agreement may be furnished on request to any individual or organization upon payment of the same charges, if any, as apply to the furnishing of copies of other records of the State agency.

## § 614.17 Administration in absence of an Agreement.

(a) *Administering program.* The Department shall administer the UCX Program through personnel of the Department or through other arrangements under procedures prescribed by the Department, in the case of any State which does not have an Agreement with the Secretary as provided for in 5 U.S.C. 8502. The procedures prescribed by the Department under this section shall be consistent with the Act and this part.

(b) *Applicable State law.* On the filing by an individual of a claim for UCX in accordance with arrangements under this section, UCX shall be paid to the individual, if eligible, in the same amount, on the same terms, and subject to the same conditions as would be paid to the individual under the applicable State law if the individual's Federal military service and Federal military wages had been included as employment and wages under the State law. Any such claims shall include the individual's Federal military service and Federal military wages, combined with any service and wages covered by State law. However, if the individual,

without regard to his or her Federal military service and Federal military wages, has employment or wages sufficient to qualify for compensation during the benefit year under that State law, then payments of UCX under this section may be made only on the basis of the individual's Federal military service and Federal military wages.

(c) *Fair hearing.* An individual whose claim for UCX is denied under this section is entitled to a fair hearing under rules of procedures prescribed by the Department. A final determination by the Department with respect to entitlement to UCX under this section is subject to review by the courts in the same manner and to the same extent as is provided by section 205(g) of the Social Security Act, 42 U.S.C. 405(g).

### § 614.18 Information, reports, and studies.

State agencies shall furnish to the Department such information and reports and conduct such studies as the Department determines are necessary or appropriate for carrying out the purposes of the UCX Program.

## Subpart C—Responsibilities of Federal Military Agencies and State Agencies

### § 614.20 Information to ex-servicemembers.

At the time of discharge or release from Federal military service, each Federal military agency shall furnish to each ex-servicemember information explaining rights and responsibilities under the UCX Program and 18 U.S.C. 1919, and military documents necessary for filing claims for UCX.

### § 614.21 Findings of Federal military agency.

(a) *Findings in military documents.* Information contained in a military document furnished to an ex-servicemember shall constitute findings to which § 614.23 applies as to:

(1) Whether the individual has performed active service in the Armed Forces or the Commissioned Corps of the National Oceanic and Atmospheric Administration;

(2) The beginning and ending dates of the period of active service and "days lost" during such period;

(3) The type of discharge or release terminating the period of active service;

(4) The individuals' pay grade at the time of discharge or release from active service; and

(5) The narrative reason or other reason for separation from active service.

(b) *Discharges not under honorable conditions.* A military document which shows that an individual's discharge or release was under other than honorable conditions shall also be a finding to which § 614.23 applies.

### § 614.22 Correcting Federal findings.

(a) *Request for correction.* (1) If an individual believes that a finding specified in § 614.21 is incorrect or that information as to any finding has been omitted from a military document, the individual may request the issuing Federal military agency to correct the military document. A request for correction may be made through the State agency, which shall forward such request and any supporting information submitted by the individual to the Federal military agency.

(2) The Federal military agency shall promptly forward to the individual or State agency making the request the corrected military document. Information contained in a corrected military document issued pursuant to such a request shall constitute the findings of the Federal military agency under § 614.21.

(3) If a determination or redetermination based on a finding as to which correction is sought has been issued by a State agency before a request for correction under this paragraph is made, the individual who requested such correction shall file a request for redetermination or appeal from such determination or redetermination with the State agency, and shall inform the State agency of the request for correction.

(4) An individual who files a request for correction of findings under this paragraph shall promptly notify the State agency of the action of the Federal military agency on such request.
